Please read all of the instructions and look at the pictures before attaching the adapter plate.

1. Release the slide latch and remove the printer attachment plate from the plate kit. Place the adapter plate onto the printer attachment plate as shown in the picture, and attach it with the enclosed screws. Put the printer attachment plate -with the adapter plate- back in place in the plate kit and lock it in place with the slide latch.

2. Example of installation of a printer mount: Attach the printer mount onto the adapter plate.

3. Printer mount is in place.

4. Adapter plate is in place.
