Please read all of the instructions and look at the pictures before attaching the product.

1. Position the mounting plate onto the bracket so that the holes align. Secure the mounting plate using the two supplied screws in the holes indicated in the image.

2. Attach the hook-and-loop (Velcro) strap to the mounting plate and to the charging unit. Then press the charging unit firmly into place. For a more secure installation, use the supplied cable ties as shown in the illustration.

3. The assembly is now complete.

4. The product is ready for use.
