Mount - Rögzítő

Please read all of the instructions and look at the pictures before attaching the holder.

1. Position the hub so that the holes align with the mount.

2. Attach the hub to the mount using the supplied screws.

3. Loosen the screw in the center of the ModTek Dock so you can remove the mounting plate on the back. Place the mounting plate onto the mount and screw it in place. Then secure the mounting plate with the mount onto the ModTek Dock. The mounting is now fully assembled.

4. The Mounting is in place.
