Mount - Rögzítő

Please read all of the instructions and look at the pictures before attaching the product.

1. Place the printer with the back side facing upward. Place the mount on the printer and slide/press it downwards so the hooks interlock in the printer and the holes match.

2. Attach the mount onto the printer using the included two screws.

3. For installation onto a pedestal mount: Attach the pedestal mount top plate onto the mount. Attach the top plate onto the pedestal mount.

4. The product is in place.
