ProClip

Please read all of the instructions and look at the pictures before attaching the ProClip.

1. Use the enclosed alcohol pad to clean the area where the ProClip is to be installed. Peel off the adhesive tape cover on the ProClip. Press the upper right edge of the ProClip into the gap between the cup holder door and the top of the center floor console.

2. Press the left side of the ProClip downward and the left part toward the center floor console side wall so the lower edge of the ProClip hooks under the center floor console side wall.

3. The ProClip is in place.

4. The ProClip is in place.
