Headrest mount - Fejtámla tartó

Please read all of the instructions and look at the pictures before attaching the headrest mount.

1. Use the enclosed tool to remove the screws in the headrest mount. Place the back part of the headrest mount onto the front side of the headrest. Place the other part of the headrest, equipped with a mounting plate, onto the back part of the headrest mount so the screws match the holes.

2. Place the screws in the holes. Tighten the screws until the headrest mount is securely in place.

3. The headrest mount is in place.

4. The headrest mount is in place.
